

# HOMWORK ZONE PARTICIPATION AGREEMENT- QUARTER 1

Welcome to Homework Zone! This agreement will help make this time productive for everyone involved. Participation in homework zone is a privilege, not a right. This is a time for students to get work done. Let's make homework zone a great, productive place to be!

## HOW IT WORKS

- Homework zone is from 2:45-4:40 Monday-Thursday. You must be in the media center by 2:45.
- From 2:45-3:45 homework zone will be a quiet work time.
- After 3:45 students will rotate through stations offering different activities.

## ARRIVING/LEAVING

- Sign in when you get to homework zone no matter the time you get there.
- Sign out of homework zone before you leave and indicate how you are getting home.

## GENERAL RULES

- Respect all items and people in the media center and our building.
- Ask first if you need to leave the homework zone area for any reason.
- Be in the assigned area you are supposed to be.
- Even if you don't have something to get done, someone else might. You do not have the right to disrupt others. If you don't have any and think it is too difficult to do something quiet until 3:45, it may not be the program for you.

## WHEN WILL I BE ATTENDING?

Please mark the days of the week you plan on coming each week. This will allow us to plan for how many students there will be each day.
