

Successful Students Series IV: Kids & Technology

Thursday, Feb. 5th, 2015
7:00 pm – 8:30 pm
(doors open at 6:30pm)

Practical tips for raising kids in the world of technology.

This free event features Pediatrician Tim Johanson's knowledge of techno-parenting. School district experts share practical tips on making technology safe and useful in age-appropriate breakout sessions. Guests take home a tool kit and have a chance to meet vendors offering technology free opportunities for kids.

Parents of kids in ECFE through high school will get valuable information at this event.

Register for this **FREE** event at www.priorlakesavagece.com or call **952.226.0080**.

Registration is preferred but walk-ins are welcome.

Prior Lake High School
