uPLAN
college planning program

Wondering if you will be able to help your student finish college and still retire someday? With planning, you can.

You're invited to attend this complimentary, 60-90-minute college planning overview to learn how academics, admissions and financial strategies can work together to help save you money on college.

You will leave knowing:

- What to expect when transitioning from high school to college.
- Why published costs may not be as important as you think.
- Tips about the FAFSA and its importance to you.
- What COA, OOP, EFC, and need-met and gift-aid ratios are, and how they apply to you.
- How to improve your student's odds of graduating in four years.
- And more!

This educational event for college-bound families is hosted by:

MACBOOK NOTES

All Student MacBook's need to be on the latest Operating system - **Sierra** for applications and sites to work properly. Please update your device at home tonight. The process takes 45 minutes and requires your MacBook to be plugged in. If you have issues or concerns, please visit the Tech office.

All 10 and 11 grade students will automatically be granted the privilege of keeping their MacBook's over the summer without turning in an Opt-in form. If you do not wish to hold on to your MacBook for the summer, there will be times available on the last 2 days of school to turn in your device. Senior students will be required to turn in their MacBook's by the last day of school.
