

HEALTHCARE & MEDICINE

Shakopee CAPS

HEALTHCARE & MEDICINE

PROGRAM DESCRIPTION

Shakopee CAPS Healthcare and Medicine fully immerses students in St. Francis Regional Medical Center providing unprecedented access to real world experiences in the dynamic field of healthcare and medicine. Partnering with experienced medical professionals, students will advance their understanding of healthcare systems, communications, legal issues, medical terminology, patient care, professionalism, ethics, and explore many career opportunities in healthcare.

Shakopee CAPS requires students to be active, independent learners and fosters empowerment, self-discovery, collaboration, and critical thinking skills. Students will engage in a variety of opportunities including case studies, problem and project-based learning, and tours. Through guided mentoring, students will participate in an internship experience that encompasses their personal interest in healthcare and medicine.
