

# HOMWORK ZONE PERMISSION FORM

Welcome to Homework Zone! Homework zone is here to assist students who have extra work to complete for school and need a place to work without distractions that are often present outside of school. Students will follow the same expectations as in class and remain focused on work completion while attending.

## HOW IT WORKS

- Homework zone is from 2:45-4:40 Monday-Thursday. You must be in the learning commons by 2:45.
- Homework zone is a quiet work environment and students will need to be focused on school work while there.
- Students may leave early if they have an arrangement for transportation on their own.
- There is no charge to students for this activity.

## ARRIVING/LEAVING

- Sign in when you get to homework zone as soon as you arrive.
- Sign out of homework zone before you leave and indicate how you are getting home.
- An activity bus is available to take students home at 4:40. Students will ride a bus from Pearson to the high school, then transfer to another bus that will take them to their neighborhood.

## GENERAL RULES

- All school rules apply at Homework Zone
- Ask first if you need to leave the homework zone area for any reason so the teacher knows where you will be.
- Students must keep working while there. If they finish early they may read a book or do extra work accordingly.

## WHEN WILL I BE ATTENDING?

Please mark the days of the week you plan on coming each week. You may deviate from this, but we need to be able to plan for the appropriate number of students.
