## **DIRECTIONS**

Please check the top three choices of instruments that your child would like to try. If you have an order of preference, please number them "1, 2, 3." Final selection from this list of ten will be made at the Instrument Fitting with your child at their elementary school. Keep in mind this is their choice *before* actually trying the instrument. After the fitting, the director will be asking the students what their final instrument choice will be.

The director will then make a final recommendation based on:

1. *Student interest*
2. *Need for the instrument in the band*
3. *Potential for playing the instrument; such as ability to make a good sound and physical characteristics*
