**ASSESSMENT PURPOSES: These are measurements for high leverage skills and should NOT solely be used for grading.**

<b>Kindergarten Local Assessments</b>	<u>Purpose:</u> One-on-one assessments in emergent reading that allow the teacher to evaluate a student’s early literacy skills.
<b>DRA2</b>	<u>Purpose:</u> Diagnostic assessment that measures student growth over time. Facilitates gaining personal\individualized knowledge about students because we can measure actual achievement level (no ceiling).
<b>Fluency (FAST)</b>	<u>Purpose:</u> Assess students’ rate, expression, phrasing, and accuracy while reading.
<b>Words Their Way Spelling Inventory</b>	<u>Purpose:</u> Assess students’ growing knowledge of spelling and determine where students are at in their development of how spelling works to represent sound and meaning.
