Sun Path Elementary: School Improvement Plan 2017-18

Building Goals (single or multi-year)	Strategic Direction Alignment	Strategies to accomplish (click here for a detailed Action Planning Template)	Plan for tracking progress against the goal & strategy during the school year?
1. Goal: In 2017-2018 we will increase the number of students proficient on the Reading MCA from 77.3% to 80% by targeting students not projected to be proficient on the MCA using MAP data.	EF04 X05	Training in SIOP strategies. Continue implementation of writing strategies by using SD materials and the establishment of Lab Classrooms in 4th and 5th grade. Strengthening gradual release and engagement strategies through coaching. Increase technology integration in the class by implementing 1 to 1 ipads in 3rd -5th and through staff development and collaboration with the Digital Learning Coach(DLC). Strengthen PLC's to improve instruction by expanding it during early release days quarterly. Book study Teaching with Poverty in Mind or Culturally and Linguistically Responsive Teaching. Continue to improve intervention strategies and programing to meet students needs.	Map testing, previous MCA's and summative and formative assessments will be used to identify students at risk not to meet on the MCA's.
2. GOAL: In 2017-2018 we will increase the number of students proficient on the MCA math from 73.4% to 80% by targeting students not projected to be proficient on the MCA using MAP data.	EF03 X04	Training in SIOP strategies. Strengthening gradual release and engagement strategies through coaching. Increase technology intergration in the class by implementing 1 to 1 ipads in 3rd -5th and through staff development and collaboration with the Digital Learnign Coach(DLC). Strengthen PLC's to improve instruction by expanding it during early release days quarterly. Book study Teaching with Poverty in Mind or Culturally and Linguistically Responsive Teaching and Learning.	

Communication Plan

1) How will the plan be shared with the entire staff? Initially, and throughout the year?	Through full staff meetings. Leadership Team will be involved implementation, planning, and communication of Staff Development
2) How will the plan be focused on throughout the year to keep it a priority, ensure staff is knowledgeable about it, and ensure needed adjustments are made throughout the year?	Monthly Leadership Meetings, Staff Meetings, and Staff Development meetings.
3) Plan for check-in with District Administration... to provide plan updates and gain needed support/resources.	On as needed basis.
4) What would GREAT implementation of this plan look like... "begin with the end in mind"	Full Implementation of Steve Dunn Writing in Grades K-3. Better Learning Targets being used in the classroom. Increased engagement strategies in all classrooms. SIOP Strategis use in classroom.
5) Celebrations from last year... how did it go? what goals did you meet? What worked?... positives!	More students meeting expectations on MCA in Math and Reading.
6) How does the plan impact the building? The PLC teams? The individual teacher?	Gives them a common focus on writing and SIOP Strategis. More time in their PLC.
