## November 2019

### Phonics

Here are the letters and sight words this month so you can support your child at home!

Nov 4-7: T, went      Nov 18-22: I, we  
Nov 11-15: N, my      Nov 25-26: F, a

### Writing

We have been writing personal narratives every day. The students have gotten good at verbalizing their sentence, drawing their picture, counting their words, drawing their lines (for their words), writing the first sound of each word, and writing the sight words we've learned.

### Handwriting

We have learned to write all the stroke. We put those together to write letters and numbers—so far, we've done c, o, 2, 3, 4, 5. Even if the students already know how to form the letters/numbers another way they will be encouraged to write the "school way."

### Reminders

The weather is getting colder but the students will still go outside for recess (unless it is below zero or raining). Please make sure to send your child with (labeled) warm clothes, including a hat, gloves, and coat. After we have snow, they will need boots and snow pants as well.

Please make sure your child leaves all toys at home. They may bring a toy when they are star of the week.

### Star of the Week

We will start having a student be Star of the Week. I will send the bag, poster, and information page home the Friday before your child is the star of the week. They should fill out the poster and bring it back along with their favorite toy and book in the bag. All items will be returned by the end of the week.
