Updates were recently made to the first part of the 2020-21 school year calendar. The early release days on September 25 and November 6 have been changed to 'no school' days for students. These days will continue to be work days for teachers and some staff. It is possible further updates to the calendar will be made in November for the second part of the school year. The updated calendar includes the A/B days rotation for the Shakopee IHD program.
