High School Schedules

There are two (2) Program options available for students in grades 9-12, each of which are listed below. A registration guide, once available, can be found online at: Shakopee.K12.mn.us/SaberOnline.

There are two ways that an online course may be delivered by a Shakopee teacher.

Full Online Section

Students will meet daily for “live” instruction with their teacher and other online students during their assigned block.

Individualized Approach

Students will participate in a more self-directed digital curriculum. This will involve daily “live” support from a teacher during their assigned block to monitor progress, either in small group or individual settings.
