Perceiving

1. **With your I/E partner(s), discuss how you would handle this situation and write what you conclude:**

It is your first day after moving to college or starting a new job, and you don't know anyone yet. How will you approach the process of getting to know others?

2. **With your N/S partner(s), discuss how you are handling this situation and write what you conclude:**

How are you approaching the process of exploring career and college options? What criteria are you looking for when trying to find your fit?

3. **With your T/F partner(s), discuss how you handle this situation and write what you conclude:**

How do you write a research paper? Do you start with the rubric by addressing the necessary facts, or do you write from the gut and then make it work afterwards?

4. **With your J/P partner(s), discuss how you handle this situation and write what you conclude:**

How do you work on group projects? How can you ensure that the group project reflects the group's best work, recognizing that each bring different organizational tools to the table?

5. **What are a few careers you are thinking about?** _____

6. **How does that career relate to your personality type using the four dimensions?**

E/I _____

N/S _____

T/F _____

J/P _____

7. **Career Exploration:**

1. MCIS-Occupations
2. iSEEK.org – Explore Careers
