Because health insurance is so important to child(ren)'s well-being, the law allows us to tell Medicaid and SCHIP that your children are eligible for free or reduced meals, UNLESS YOU TELL US NOT TO. Medicaid and SCHIP only use the information to identify children who may be eligible for their programs. Program officials may contact you to offer to enroll your children. Filling out the Meal Benefits Application does not automatically enroll your children in health insurance.

If you do not want your school district to share your information with Medicaid or SCHIP, please select 'No' below.

Terms of Use
 Shakopee Public Schools has adopted the use of electronic signatures for some documents. By registering and creating your electronic signature PIN you will be able to apply your signature electronically to some documents the district publishes that require your signature. Registration is easy to complete and takes less than 5 minutes.

Once registered, documents or applications that accept an E-signature may also give you the option to not use your electronic signature and instead print the document, sign, and submit the paper form. Not all documents or applications will require a PIN.
