

Consonant Plus -le Pattern

**The final C + -le syllable is always unaccented.
The accent is always on the first syllable.**

Consonant + -le with Open Syllables (VCle)

cradle cra/dle

title ti/tle

eagle ea/gle

Consonant + -le with Closed Syllables (VCCle–Double)

bubble bub/ble

shuffle shuf/fle

drizzle driz/zle

Consonant + -le with Closed Syllables (VCCle)

gentle gen/tle

jungle jun/gle

mumble mum/ble

Oddballs—words with consonant digraphs do not split the digraph.

crackle crack/le

tickle tick/le
