## Pattern Sort

**Parent Directions:** Have your child write the words from the word bank under the heading that shows how the /k/ sound is spelled in each word and whether **ck** is at the end or the middle of the word. When your child has finished sorting the words, have him or her select four favorite words and write a sentence with each of them.

**Word Bank**                  **attack**      **complex**                  **pickle**      **picnic**  
                                 **traffic**      **hammock**                  **relax**      **buckle**
