

# CLASS NEWS

Mrs. Theis' Class

May 22-26

## LEARNING FOCUS

- **Reading:** Fast Testing, lessons that make us synthesize information and reflect on what we experience
- **Writing:** Poetry Unit- Limerick, Tongue Twister, Bio Poem, Color Poem
- **Math:** Probability Unit
- **Science:** Vision and Light Unit- acting like a scientist and reflecting what scientists do to get ready for the final project

## ANNOUNCEMENTS

Please watch for a "LAST TWO WEEKS OF SCHOOL" newsletter. It will be emailed to you, sent as a message on Seesaw, and a paper copy sent home. Please keep for reference as there will be many special days to remember :)
