

August 2020

Hello SHS families,

Shakopee Senior Graduation Party (SSGP) wants to welcome everyone back to the new school year. We want to introduce ourselves and let you know what we are about. Every year we plan a graduation celebration for our upcoming high school graduates and we need volunteers to make this happen. This year we are creating grade-level committees (a committee from each grade level 9th - 12th grade) and these committees will work closely with the Board to plan a memorable event for our successful graduates. We need all of you, not just senior families, to give input and to share ideas about each grade level. This year's graduation ceremony and celebration is on June 12, 2021.

We are separate from the school and we do not receive funds from the district. We fundraise all year and we rely on donations in order for the celebration to take place. Volunteers are crucial to the success of the event. Without your help, we cannot provide the graduates their senior party.

Our mission is to provide a recreational activity for graduates of Shakopee allowing them to celebrate their achievement in an environment free of drugs and alcohol. Please learn more about us by checking out our website and becoming an SSGP member. Just click Member Sign Up / Log In in the upper right hand corner of our home page at <https://www.shakopeeseniorgraduationparty.com/>. You will receive occasional emails regarding the senior party, fundraisers, events, volunteer opportunities, and meetings.

Our first parent/guardian (no students please) informational meeting will take place on Thursday, August 27 at 6:30pm using Zoom. Here is the link...
