It's no secret that the teachers at Red Oak are dedicated.

This is why the Red Oak PTO has organized a
Teacher Wishlist by Amazon!

If you desire, you can visit the Wishlist and purchase an item
that your child's teacher picked out themselves!
As always, it's never required but will always be appreciated!

How It Works:

- Visit the Red Oak Teacher Wishlist by scanning the codes on the previous page
 - Each item specifies which teacher(s) is requesting it
 - Find an item that you'd like to gift to your teacher and add to your Amazon cart
- * Click the 'Gift' option as you check out and write a note indicating which teacher you are gifting it to
- * The items get sent directly to school
