District Office

Superintendent: Dr. Mike Redmond

Dear Parents/Guardians of Shakopee Elementary Students,

It is the time of year that we begin the process of creating classes for the 20-21 school year. This is an intricate process that involves teacher teams, specialists, administration, and support staff. Our goal is to provide a safe, secure, supportive environment for every student to optimize learning and provide an exceptional educational experience. Our class makeup goal is to achieve a balance of class size, gender, demographics, unique learners, learning styles, academic strengths and challenges, and English language acquisition. The team also considers potential peer conflicts, delivery of special service scheduling, and any other special circumstances that need attention when constructing classes.

Many traits of our learners are best shared directly with their teacher. Fortunately, we have the opportunity to do that as a part of our Connect and Assess days at the beginning of the school year. Specific educational needs, emotional supports, social goals, and other considerations are examples of qualities that are best discussed with the classroom teacher during Connect and Assess days. A separate communication will be sent closer to school starting to set up this appointment with your assigned 20-21 teacher.

The **optional** parent/guardian input form is available to parents/guardians who would like to provide input for student grouping considerations. These forms will be shared with teachers both to assist in the class assignment process and to better inform the 20-21 teachers of student needs. We work hard to make sure all Shakopee Public School employees constantly sharpen their talents and work for continuous growth in order to meet the needs of all students through the best education possible. Once class lists are completed, there is a delicate balance in class makeup easily imbalanced by student movement between sections, so any concerns must be considered before classes are set. Once class rosters are completed, it is difficult to change class assignments.

Please remember: this form is **optional** and is not required for parents who would like teachers to consider student qualities on the form as classrooms are assembled. **It will not be used to consider specific teacher requests.**

If you have questions or concerns, please don't hesitate to call.

Sincerely,

Josie Koivisto/Principal/Eagle Creek Elementary
Pat Leonard/Principal/Sun Path Elementary
Mitch Perrine/Principal/Red Oak Elementary
Derek Bell/Principal/Sweeney Elementary
Kevin Bjerken/Principal/Jackson Elementary

DEAR FAMILY,

Did you know the arts are the foundational building blocks for all the other educational disciplines? That's why we have partnered with your child's school to create a unique opportunity to celebrate their artistic accomplishments while raising much needed funds for the school.

Coming home soon will be your child's custom catalog featuring their artwork. Won't you help make your child feel like an accomplished artist by purchasing keepsakes for the whole family containing their masterpiece? The school earns profit from every order. And as a thank you for participating, we provide each child with a sheet of stickers imprinted with their artwork - absolutely FREE!

Watch for more details about the campaign and order deadlines. All online and paper order forms must be turned in by the due date on your child's custom catalog. (No late orders can be accepted.)

Together, we can help support the school, build your child's self-esteem, and create lasting keepsakes from your child's artistic achievements.
