

PANDEMIC RESPONSE ADVISORY TEAM

School Board Resolution

Section 1: The Superintendent is hereby directed to implement a Pandemic Response Advisory Team. The purpose of this team is to provide input and constructive feedback to the Superintendent and School Board. This input and feedback are shared regarding COVID-19 case numbers and determining an appropriate learning model. The input and feedback are especially important in situations in which the Scott County COVID-19 case data lacks clarity and/or is trending strongly, in either direction, towards a boundary in the Learning Model Table (shown above).

Members of the Team

Parent	Katie Hewitt
Parent	Angelica Contreras
Student	Christine Kitoy
Student	Anjali Thomas
School Board	Kristi Peterson
School Board	Joe Aldrich
School Board	Tim Brophy
Superintendent	Mike Redmond
Operations	Ed Zeimet
Health Services	Peggy Nerdahl
Assistant Superintendent	Dave Orlowsky
Director of Special Services	Julie Fred
Director of Learning, Teaching & Equity	Nancy Thul
Director of Human Resources	Keith Gray
Director of Technology	Bryan Drozd
Communications Specialist	Crystal McNally/Tiffany Olson
High School Athletic Director	Matt Hanson
Principal	Jeff Pawlicki
President of Shakopee Education Association	Dale Anderson
Elementary Teacher	Corinne Doherty
Middle School Teacher	Matt Braa
High School Teacher	Jamie Paulson

Team will meet online via Google Meets at 11:00 AM on every Friday, beginning August 14. Time of meeting will likely change after start of school year.

Role of the Team

- Analysis of the COVID-19 case number data per 10,000 residents for Scott County

- Is the data steady, consistent, and reliable?
 - If not, is there enough instability, inconsistency, and/or lack of reliability of the data to possibly warrant actions that would alter the selection of the learning model?
- Is the data trending strongly in a direction?
 - If so, is this trend enough to warrant 'early action' in terms of altering the selection of the learning model?
- Analysis of the systems and operations in Shakopee Public Schools
 - Health and safety
 - Health Services
 - Operations
 - Student support
 - Employee support
 - Technology

Timeline (starting August 14, 2020)

- | | |
|--------------------|--|
| Every Friday: | Pandemic Response Advisory Team Meeting (online 11:00-12:00; time will likely change after the start of the school year
Advisory opinion on selection of the learning model and related matters
District shares recent numbers of COVID-19 cases per 10,000 residents
Sharing may be directing persons to Scott County Department of Health website |
