Dear Parent/Guardian,

Red Oak Elementary is partnering with the “Good to Go” program, a community-based volunteer assistance program to offer a supply of nutritious meals and snacks to Red Oak students over weekends and extended breaks free of charge. Research states that children who eat three meals daily are higher achievers in school and have a lower rate of absenteeism. Bags are distributed by volunteers on the last school day before the weekend or break. The bag may contain items such as peanut butter, juice, bread, crackers, fruit, etc. Children will bring the full bag home for the weekend.

If interested, please complete the form below and return to school by Friday, February 12th. Only one form is needed for all the Red Oak students in your family, but please include information for each child in the space below. This information is kept strictly confidential.

Please contact the school office at 952-496-5952 if you have any questions or concerns. The program will begin February 19th.

Sincerely,

Doug Schleif
Red Oak Principal
