IN-PERSON CLASS OPTIONS

Destination Imagination (Grades PreK-12). In the past eight years, seven of our DI teams have made it all the way to compete at the Global Finals Tournament! This is your opportunity to join the fun! DI is an innovative educational program designed for preschool students through 12th grade, in which student teams solve open-ended challenges and present their solutions at a regional tournament, usually held in February. This program is designed to teach three essential skills: creativity, teamwork and problem-solving. DI runs October thru February. Sound interesting? Find more information online at www.shakopee.k12.mn.us, click on Youth, then Destination Imagination or contact Autumn at awarden@shakopee.k12.mn.us.

Safe at Home on my Own (Ages 8-11). This course is designed to help prepare youth 8-11 years of age to safely take care of themselves when they are home alone. Safe at Home will answer your questions about setting up your routine to be by yourself when your parents are not home. Class will cover common household emergencies, using the telephone, basic First Aid and more. Course fee includes student workbook. This class is intended as a tool to help families prepare youth for staying home alone. Safe at Home will not fully prepare all youth for the responsibilities involved with being home alone. Taught as a partnership with the Shakopee Police Department. THURS, Oct 15, 9-11:15am, RO Learning Commons, \$45, FY-SAFHOM-20

The Mechanics of Gadgets & Gizmos (Grades 1-5). How did toys work before batteries? They relied on physics. Put science to work as you explore the hows and whys of energy and gravity. Discover the action-packed world of physics by building, experimenting and questioning science contraptions that really work. WED, Oct 28, 3:50-5:20pm, RO Rm 143, \$19, FY-MGG-20-RO

Homemade Gifts From The Heart (Grades K-5). All new gifts in this after-school class! Get a head start on the holidays with this fun gift-making class. Participants will paint/decoupage a colorful bird and birdhouse on a colorful board, sculpt a 3D tree, create a silly snowman mosaic on canvas and more. Homemade gifts are always perfect gifts for your friends and family or keep them for yourself! Sign up now for our most popular class of the year. Meets four times. Can't meet after school? No worries! Join us for the online class (see back page). THURS, Nov 12-Dec 10 (skip Nov 26), 3:50-4:50pm, RO Rm 143, \$69, FY-HMGH-20-RO

AT-HOME KIT OPTIONS (kits will be mailed directly to you)

STEM Sampler Kit 1 - Flight/Electromagnet (Ages 8+ if experimenting with an adult/12+ with adult supervision). Have fun with three STEM topics: chemistry, aerospace and electricity. Your budding scientist will explore the three most common states of matter in our universe: solid, liquid, and gas. Next, discover the four forces that allow planes and rockets to fly: thrust, drag, weight and lift. Then, build and test an electromagnet, and learn how that field was first discovered. \$35, FYH-SS1-20

STEM Sampler 2 - Engineering and Chemistry with pH (Ages 8+ if experimenting with an adult/12+ with adult supervision). Have fun with two STEM topics: engineering and chemistry with pH. Take the first steps into engineering by designing/building an Art-Bot with a motor, battery holder and more. Then test the pH of six everyday substances to see if they are acid, base or neutral. Plus, pH indicator will be provided so this experiment can be conducted with other items found around your home. \$35, FY-SS2-20

STEM Sampler 3 - Slime & Catapults (Ages 8+ if experimenting with an adult/12+ with adult supervision). Have fun with two hands-on topics: slime and catapults. First you will investigate the chemical reaction that creates slime. Mix up your own batches as you discover why it is bouncy, stretchy and gooey. Then, build three different catapults to examine how levers, energy and Newton's Law of Motion all work together as you fling ping-pong balls while practicing your launching and aiming skills. \$39, FY-SS3-20

Young Inventors (Ages 8+ if experimenting with an adult/12+ with adult supervision). Children are natural inventors and are curious and imaginative on their own. Encourage your child's tinkering spirit with this fun and engaging kit as they build an electrical circuit and learn about pneumatics. Your child will be designing, building, and creating for hours on end. \$69, FY-YIK-20

ONLINE CLASS OPTIONS

Chess Club (Grades 1-5). Challenge yourself! Play chess! Exercise your brain! All chess levels are welcome. Each online class will consist of a live video lecture given by a chess instructor. Students will learn new openings, tactics, strategies, and important endgames. After the lesson, students will play in a tournament.

Morning Session: WED, Oct 21-Dec 16 (skip Nov 25), 8:10-9:20am, \$99, FY-CHESS-20-1

Afternoon Session: THURS, Oct 22-Dec 17 (skip Nov 26), 3:30-4:40pm, \$99, FY-CHESS-20-2

MORE EXCITING ONLINE CLASSES ON THE BACK!

Coding 1.0 - Animation (Ages 8-14). Learn basic and intermediate coding techniques with Scratch in this online class. Students will be introduced to the vital field of coding and learn how to use movement blocks, loops, control blocks, and other basic coding for animation. After registration, more details will be sent on how to join the class.
TUES, Oct 20-Dec 15 (skip Nov 24), 4:15-5:15pm, \$99, FY-CODA-20

Coding 2.0 - Video Games (Ages 8-14). Design, code, test, and share your very own video game using Scratch. Students will be introduced to the vital field of coding and learn how to use movement blocks, loops, control blocks, and other basic coding for use in designing their own video games. After registration, more details will be sent on how to join the class.
WED, Oct 21-Dec 16 (skip Nov 25), 4:15-5:15pm, \$99, FY-COVG-20

Magic 1.0 (Ages 7-12). Amaze your family and friends with prestidigitation and legerdemain (magic tricks, that is). Students will use common household items (deck of cards, paper clips, pencils, etc.) to learn and perform magic tricks. Join a class where the focus is on hocus-pocus. The class meets four times virtually. TUES, Nov 3-Dec 1, 4:15-5:15pm, \$49, FY-MAG-20

Homemade Gifts From The Heart (Grades K-5). Get a head-start on the holidays with this fun gift-making online class. Participants will sculpt a 3D tree (and accessorize it with sparkling rhinestones), create a silly snowman mosaic on canvas, create a colorful clay stocking along with some holiday cards. Homemade gifts are always perfect gifts for friends and family, or keep them for yourself! Register by Nov 5 to have your materials in time to participate. Kit pick-up will be Nov 11 & 12 at the District Office.
MON, Nov 16-Dec 7 (skip Nov 23), 6:30-7:20pm, \$49, FY-HMGGH-20

Build Your Own ArtBot (Ages 8-14). Take your first steps into engineering by designing and building your own ArtBot. These fun and silly robots are popular with children. In this live, virtual class, the fun begins with our instructor as you build a simple electrical circuit to add to your ArtBot. Then, if time permits or after class, you can personalize your ArtBot with the craft supplies included in the kit. SAT, Dec 12, 10am-Noon, \$29, FY-BYOA-20

Anime & Manga Workshop (Ages 9-14). Calling all Otaku kids! Join the Anime Manga workshop and learn to draw your favorite Japanese style art. This ten-lesson workshop will tap into everyone's imagination, while learning to draw cute manga-inspired characters, accessories, and costumes. Your artistic talent is sure to take off in the kawaii workshop focused on technique and creativity. Participants will need a few simple supplies from home. After registration, you will be sent a link to access video lessons. Take all the lessons in one day or spread them out over several days. Each lesson can be viewed up to five times. \$49, FY-AMWW-20

Fashion, Faces and Flowers Workshop (Ages 6-12). This is the perfect class for fashionistas, florists and budding makeup artists who like to draw! Students will be challenged and delighted drawing images that exude loveliness. This session contains ten lesson/drawings, and in each lesson, students will work on improving art techniques, while also improving vocabulary and fine motor skills. Participants will need a few simple supplies from home. After registration, you will be sent a link to access video lessons. Take all the lessons in one day or spread them out over several days. Each lesson can be viewed up to five times. \$49, FY-FFFW-20

Crazy Chemistry (Grades 2-6). Join us in a virtual laboratory and explore your inner "crazy chemist!" Participants will investigate the periodic table with fun and exciting experiments, while discovering the science side of STEM. Participants also will break some chemical bonds, get messy with polymers and much more. Be ready for a mess! After registration, you will be sent a link to access a YouTube video, which will be accessible for 30 days. The Crazy Chemistry kit will be mailed to your home. \$69, FY-CCY-20

Instant Piano (In-Person). Have you always wanted to learn to play piano, but don't have the time to invest in years of weekly lessons? In just a few hours, you can learn enough secrets of the trade to give you years of musical enjoyment. You'll learn all the chords needed to play any song in this one session. If you can find middle C and know the meaning of Every Good Boy Does Fine, you already know enough to enroll in this workshop. MON, Nov 30, 6:30-9:30pm HS N116, \$59, FA-IPI-20

DECEMBER CLASSES

Help! How Do I Make Them Stop (Online). Why is it so difficult to get someone to stop abusing drugs and alcohol? Sherry Gaugler-Stewart, Director of Family and Spiritual Recovery at The Retreat, will guide you through new ways of interacting with a friend or loved one regarding their use of substances and receive helpful resources to support yourself or others. Although this is a free class, you will need to register with a valid email address to receive the meeting invitation. WED, Dec 9, 6:30-8pm, Free, FA-HMS-20

Instant Pot Cook-Along: Copycat White Castle Sliders! Buffalo Chicken Sliders (Online). Have some fun participating in this virtual Instant Pot® cook-along class. Choose one slider for your cook-along and watch a demonstration of the other. If you happen to have a second Instant Pot® and would like to make both, please do! The recipe options for this class are Copycat White Castle Sliders (the process of making these has been trademarked by the instructor) and buffalo chicken sliders. We will also make quick slider rolls (baked in the oven). All are delicious recipes that will have your family coming back for seconds and thirds! SAT, Dec 5, 3-5pm, \$29, FA-WBS-20

Holiday Cookies & Treats (In-Person). The holidays are best with family and friends, and cookies, bars, and other sweet treats are at every gathering. Make all your treats early this year and be prepared for every get-together! We will mix, bake, and decorate 10 different holiday treats from scratch using fresh ingredients. No shortcuts! You'll leave with 10 dozen delectable treats to share this holiday season. SAT, Dec 5, 8am-1pm, HS SE 110, Single: \$79 (10 doz), Pair: \$158 (20 doz), FA-HCT-20

Holiday Cookie Bake & Decorate! (Online). Are you looking to start or continue a holiday cookie baking and decorating tradition? Consider registering for this live, online, family-friendly holiday cookie class for beginners! Gather your family for baking and decorating or treat yourself to some quality personal fun time. Learn how to make royal icing and the basics for decorating cookies at home. Participants will be baking the cookies ahead of time so that they are ready to decorate at the start of class. The recipes will include a soft and chewy sugar cookie, and a denser crisp sugar cookie. No fancy decorating tips or bags will be needed. We will be using simple plastic sandwich bags to decorate. WED, Dec 16, 7-830pm, \$25, FA-HCB-20

Instant Guitar (In-Person). Have you always wanted to learn to play guitar, but don't have the time to invest in years of lessons? In just a few hours, you can learn enough to give you years of musical enjoyment. This crash-course will teach you some basic chords and get you playing along with your favorite songs right away. Fee includes and an online book and online video instruction. MON, Dec 7, 6:30-9pm, HS N116, \$59, FA-IGU-20
