**RESOLUTION RELATED TO RENEWING THE EXPIRING CAPITAL PROJECT LEVY  
AUTHORIZATION TO FUND TECHNOLOGY OF THE SCHOOL DISTRICT AND  
CALLING A SPECIAL ELECTION THEREON**

*BE IT RESOLVED by the School Board of Independent School District No. 720, Shakopee, State of Minnesota, as follows:*

It is hereby found, determined and declared as follows:

1. The School Board has investigated and hereby determines and declares that it is necessary and expedient to renew its expiring capital project levy authorization in the amount of 5.837584% times the net tax capacity of the school district, which is scheduled to expire after taxes payable in 2025. The proposed tax rate is not being increased from the previous year's rate. The money raised by the authorization will provide funds for the acquisition and maintenance of technology and technology systems, and to pay the costs of technology-related personnel and training. The renewed capital levy authorization will raise approximately \$6,215,800 for taxes payable in 2026, the first year it is to be levied, and would be authorized for ten (10) years. The estimated total cost of the projects to be funded over that time period is approximately \$62,158,000. The program will be commenced sooner than five (5) years from the date of the special election authorizing the approval of the capital project levy.
2. The question on the renewal of the expiring capital project levy authorization of the School District shall be submitted to the qualified electors of the School District at a special election, which is hereby called and directed to be held in conjunction with the state general election on Tuesday, November 5, 2024, between the hours of 7:00 a.m. and 8:00 p.m.
3. If approved by the voters, the renewal of the capital project levy authorization shall be used only as authorized in Minnesota Statutes, Section 126C.10, subdivision 14. Accordingly, because this capital project only addresses technology, it is exempt from review and comment by the Commissioner of the Minnesota Department of Education pursuant to Minnesota Statutes, Section 123B.71, subdivision 8.
4. Pursuant to Minnesota Statutes, Section 205A.11, the precincts and polling places for this election are those precincts and polling places designated by the cities, towns, or counties located in whole or in part within the School District for the statewide general election.
5. The clerk is hereby authorized and directed to cause written notice of said special election to be provided to the County Auditor of each county in which the School District is located, in whole or in part, at least eighty-four (84) days before the date of said election, and to the Commissioner of Education, at least seventy-four (74) days before the date of said election. The

The clerk is also directed to cause a copy of this notice to be submitted to the Commissioner of Education and to the County Auditor of each county in which the School District is located in whole or in part at least fifteen (15) days prior to the day of the election.

The clerk is hereby authorized and directed to cause notice of said general election to be published in the official newspaper of the district, for two (2) consecutive weeks with the last publication being at least one (1) week before the date of said election.

The clerk is hereby authorized to provide notice by alternative means other than official newspaper of the School District as allowed by law. As such, notice of said general election to be published on the school district's website instead of publishing the proceedings in a newspaper. The clerk is hereby authorized and directed to cause notice of said special election to be posted at the administrative offices of the School District at least ten (10) days before the date of said special election.

The clerk is hereby authorized and directed to cause a sample ballot to be posted at the administrative offices of the School District at least four (4) days before the date of said special election and to cause two (2) sample ballots to be posted in each polling place on election day.

6. The clerk is authorized and directed to acquire and distribute such election materials and to take such other actions as may be necessary for the proper conduct of this special election.
